HEATHROW MEDICAL

Heathrow Medical Services is an EASA and CAA approved Aeromedical Centre (AeMC). We can therefore perform Initial CAA Class 1 and 3 medicals as well as renewal/revalidation medical examinations (Class 1,2,3) for both the CAA and EASA.

Heathrow Medical Services is also accredited to perform medicals for a number of other international aviation authorities including the FAA (USA), CASA (Australia), CAME (Canada), Mauritius and KSA.

We are conveniently situated near to Heathrow Airport Terminal 5 and have on-site parking and excellent transport links. Our team comprises of a number of experienced Aviation Medical Examiners (AME's) as well as an EASA and CASA approved Chief Optometrist.

We provide services for individual commercial and private pilots, airlines and a number of aviation companies.
