

CAE

Integrated ATPL - London Gatwick

Type of Programme

- Integrated Airline Transport Pilot License (ATPL)

Eligibility requirements

- Must be at least 18 years or age at the start of the programme
- Must have successfully completed secondary education
- Proficient in the English Language (verbal and written)
- Must be able to obtain an EASA Class 1 Medical

Assessment

Stage 1: Online Application

CAE will review all candidate applications to assess whether they successfully meet the criteria for the Integrated ATPL Programme. Successful candidates through this stage will be invited to complete an assessment with CAE.

Stage 2: ADAPT Test

Once you pass the first stage of the selection process screening you will be invited to do an ADAPT test, which will take place virtually or at CAE locations across Europe.

The assessment will cover:

- Personality Questionnaire – typical behavioural preferences and tendencies
- Progressive Mathematics – applied understanding of key, relevant mathematical concepts
- Progressive Physics – applied understanding of key, relevant physics concepts
- Cognitive – key cognitive aptitudes, abilities, and reasoning skills
- FAST – learning potential and multi-tasking under pressure

Stage 3: Personal Interview*

The final stage is the interview. This is your opportunity to share your passion and understanding of aviation.

*You may also be required to pass a Versant English test dependant on your nationality
