Pooleys is a family owned and operated business, founded by Robert Pooley on leaving the Royal Air Force in 1957. Over the years, Pooleys has become a well respected name in the Aviation Industry as the leading manufacturer and publisher of Aviation, Pilot Training and Flight Equipment.

In 1961, we opened our first Pilot Shop at Elstree Aerodrome and in 1962 completed and published our first Flight Guide. By 1964, Pooleys had opened its factory at Cranfield, close to the famous Airfield and University. It is from this factory that most of the products in this catalogue are produced.

For over 60 years we have expanded our product range and our geographical reach. We now produce the world's largest range of pilot's kneeboards, flightboards & flight computers. We sell to over 100 countries worldwide and supply companies and individuals on every continent including Antarctica. We now have 3 bases across the UK at Elstree, Cranfield & Turweston. In 2002, we opened our first overseas base at Grand Central in Johannesburg, South Africa.

Ever since the 1960s, Pooleys has maintained a presence on the UK roads and our vans complete UK wide tours of flying schools every year.

We believe that excellent customer service lies at the heart of our business and that our face to face approach underlines this.

2021 marks the 59<sup>th</sup> Edition of the Pooleys Flight Guide, first published in 1962. We are extremely proud of the quality and accuracy of the guide which has become the generic name for airfield information in the UK – "Don't Fly without your Pooleys!".

This catalogue of Pooleys Flying and Navigational products, Technical Aviation Publications and much more has been compiled to assist Aviation Colleges, Schools and Pilots in all flying disciplines to select their requirements from a comprehensive range of the finest Aviation Training and Pilot Equipment.

Once again, Pooleys would like to thank those who over the years have supported us – pilots, schools and enthusiasts. Much of what you see in Pooleys today is due to the passion and commitment of many people from around the world within the aviation community.

We look forward to a strong commitment to you stretching another seven great decades.

**Pooleys is a Quality Registered Firm**

**Pooleys Pilot Shops – Please call in advance of your visit**

**Plus you will find Pooleys Products at over 95% of UK Flying Schools and all good aviation retailers**

### NGP662 Garmin Aera 760 GPS with 7" Display

**NEW**

#### ADVANCED PORTABLE AVIATION NAVIGATION WITH A 7" DISPLAY

- Fly confidently with our rugged, reliable, purpose-built GPS that includes our latest in-flight features, including IFR approaches, arrivals and departures, plus our familiar touchscreen interface.
- Bright days are no problem — with our vivid, sunlight-readable touchscreen display.
- Make IFR flying easier by adding airways and IFR approaches, arrivals, departures and more to your route.
- Be aware down low. See obstructions and wires with our WireAware™ wire-strike avoidance technology.
- Weather and traffic? Check, and check. Just pair with a GTX™ 345 transponder or GDL® 52 series datalink.
- Prep for your flight with wireless Internet weather and automatic data downloads.
- Take off with round-trip power. Get up to 4 hours of battery life on each charge.

Price: £1250.00 | £1500.00 inc.VAT

### NGP662 Garmin Aera 660 GPS

- Rugged, purpose-built portable navigator with built-in GPS/GLONASS receiver and 5-inch sunlight-readable screen.
- Intuitive, simple touchscreen operation and single power button make getting around the display a cinch.
- 3D Vision perspective view shows terrain, obstacles, airport environment, optional traffic, nearest airport and more.
- Wireless cockpit connectivity via Connex™ streams ADS-B weather<sup>1</sup> and advanced traffic from compatible devices.
- Cut the cord and database prices with Wi-Fi® database downloads and the affordable Garmin Navigation Database.

#### In the Box:

1. Aera 660
2. Yoke Mount with Power Cable
3. Battery
4. AC Adapter
5. USB Cable
6. Quick Start Manual and related documentation

Price: £635.00 | £762.00 inc.VAT

### NGP305 Garmin GDL50 3D Portable ADS-B

#### WIRELESSLY LINK TO WEATHER, TRAFFIC, GPS AND MORE

- Receive subscription-free animated U.S. datalink weather<sup>1</sup> via ADS-B "In"
- ADS-B dual-band traffic with TargetTrend™ and TerminalTraffic™ technology<sup>3</sup>
- Wireless connectivity for display on select mobile device apps and Garmin portables
- Compact device with rechargeable battery; designed to sit on aircraft glareshield
- Provides GPS position data, backup attitude<sup>4</sup> and more.

#### Specifications:

Unit dimensions: WxHxD: 4.9" x 1.3" x 3.4" (12.44 x 3.30 x 8.64 cm) | Weight: 0.75 lbs (0.34 kg) | Anti-slip mat (bottom of unit only)

#### Performance:

Operating temperature: -20°C to +60°C (-4°F to 140°F) | Operating altitude: To 55,000 ft

Nominal operating velocity range: 0 – 800 kts (411 m/s) | Power input: 10 to 32 VDC, 3.5 W max.

Battery type: Lithium-ion rechargeable (built-in) | Charge temperature: Unit may not charge at extreme temps below 0° C (32° F) or above 32° C (90° F) | Typical battery operating time: 8 hours.

Price: £595.00 | £714.00 inc.VAT

## INTRODUCING THE BOSE PROFLIGHT 2 AVIATION HEADSET

Lightweight, in-ear active noise cancellation for long-term comfort over extended flights, with many new features designed specifically for airline and corporate aircraft flight decks.

### PROFLIGHT AVIATION HEADSET SERIES 2 FEATURES INCLUDE:

- **NEW 128 GRAM (4.5 OUNCE) ON-HEAD WEIGHT.**  
For enhanced comfort during extended use.
- **NEW THIN, FLEXIBLE CABLE.** Lighter, more supple cable allows improved freedom of movement and easy storage.
- **DIGITAL ACTIVE NOISE CANCELLATION.** Significantly reduces ambient noise, allowing users to lower radio volume and hear what they need to hear.
- **THREE USER SELECTABLE MODES OF NOISE CANCELLATION, NOW WITH IMPROVED LOW MODE.**  
Adjust noise cancellation levels according to personal preference and noise environment.
- **FAA TSO AND EASA E/TSO-C139A CERTIFIED.**
- **LONG TERM DURABILITY.**
- **ACTIVE EQUALISATION.**
- **UPDATED TAP CONTROL FOR TALK-THROUGH COMMUNICATION.** Double tap either earbud to optimise audio for communication outside of the intercom.
- **BLUETOOTH® CONNECTIVITY & AUDIO PRIORITISATION.**
- **NEW, NON-BLUETOOTH® HEADSET VARIANT AVAILABLE.**
- **MULTIPLE PLUG TYPES.** Available with twin plug, 5 pin XLR or 6 pin LEMO plug configurations.
- **AUTOMATIC SHUTOFF.**
- **QUICK-RELEASE, SIDE SWAPPABLE MIC & DOWN CABLE.**
- **EASILY ADJUSTABLE MIC.** New mic winglets allow for precise mic and boom adjustments. Noise cancelling microphone increases clarity and reduces background noise when transmitting.
- **EXCEPTIONAL BATTERY LIFE.** Two AA batteries power 45+ hours of use with Bluetooth® off and at least 25 hours with Bluetooth® on. Aircraft-powered variants are also available.
- **REPLACEABLE SILICONE STAYHEAR+ TIPS.**  
Silicone material provides a flexible, comfortable fit. 3 sizes included. StayHear+ tips are easily removed and replaced.
- **AVAILABLE CUSTOM MOULDED EARTIPS.**
- **BYPASS COMMUNICATIONS MODE.**
- **BOSE CONNECT APP.**
- **FIVE-YEAR LIMITED WARRANTY - ACCLAIMED SERVICE.**
- **IMPROVED CARRY CASE.**

### SPECIFICATIONS:

**DIMENSIONS/WEIGHT:** (sliders not extended): 21.4 cm H x 16.1 cm W x 8 cm D (127.6 g on head).

**INPUTS AND OUTPUTS:** Available in twin-plug, five-pin XLR or six-pin LEMO plug configurations.

**ADDITIONAL DETAILS:** 2 AA alkaline batteries. Bluetooth on: at least 25 hours. Bluetooth off: approx. 45+ hours. Aircraft power voltage range: 10–32 VDC. Average power consumption: 250 mW.

#### WHAT'S IN THE BOX

## Sennheiser Passive Headset – HME110 ATC Passive

**FREE Pooleys  
Headset Bag  
with purchase!**

### SENNHEISER ACCESSORIES

**HME110 EAR PADS**

Price: £38.29 | £45.95 inc.VAT

**HME110 SOFT COMFORT EAR SEALS**

Price: £43.29 | £51.95 inc.VAT

**HME026/110 WINDSOCK**

Price: £12.46 | £14.95 inc.VAT

Ideal for ATC use as well as in general aviation aircraft. The HME 110 ATC headset with closed ear protector headphones provides excellent passive attenuation. The size of the headband is adjustable even to small heads e.g. for children. For easy and space-saving transportation the ear cups can be folded up.

#### FEATURES

- Constant attenuation of up to 40 dB
- Advanced transducer design ensures excellent speech intelligibility
- Headphone volume control
- Noise-compensated boom microphone for superior speech transmission.
- High wearing comfort due to very soft ear pads and headband pad
- Attractive and elegant ear cup design: black with high-tech finish
- 5 year warranty.

#### WHAT'S IN THE BOX?

- 1 HME 110 ATC
- 1 HZC 08 cable clip
- 1 MZW MZW 45 windshield.
- Plus a FREE Pooleys single headset bag

Sennheiser HME 110 ATC headsets with closed-ear noise protection provide excellent passive attenuation for air traffic controllers or surveillance operators in particularly noisy environments.

A noise-cancelling microphone ensures excellent speech transmission and soft ear pads and headband deliver long-wearing comfort. To set the headset's sound for varying sound environments, microphone sensitivity can be simply adjusted and a handy volume control on the headset optimises sound on the fly if conditions change. It's also possible to choose between mono and stereo operation.

A fully adjustable design ensures a firm fit for any user and a choice of cable lengths and jack options make it simple to adapt to any system or platform.

#### BENEFITS AND FEATURES:

- **Sennheiser voice clarity** for accurate communication, provides a natural listening experience.
- **Excellent speech transmission** noise cancelling microphone reduces ambient noise to improve intelligibility and reduce 'all-back/read-back events.
- **Noise reduction** with closed ear cups offering passive attenuation up to 40db.
- Quick volume adjustment with built in volume control on ear cup. Can be disabled if needed.
- **Flexible microphone boom** can be worn on either left or right hand side.
- **Choice of mono/stereo** with simple switching for dual communications sources.
- **Cable/connector/PTT** wide range of cables and connectors, can be customised.

## Sierra ANR Headset with Bluetooth

Step up to the world of premium ANR headsets with the value-priced Sierra. Picked as the “hands-down favourite” in Aviation Consumer’s real-world test of budget ANR headsets, Sierra delivers the comfort, quiet, and advanced features you’ve come to expect from Lightspeed.

Active noise reduction (ANR) and Bluetooth connectivity bring top-of-the-line features to Sierra. Plush ear seals and sturdy fibre reinforced polymer construction add to Sierra’s durability. Bluetooth for audio devices and ComPriority™ enrich your flying experience. A reversible headband design allows microphone placement on the left or right. Sierra is everything you’ve been looking for in a budget-priced premium ANR headset.

Sierra is now compatible with FlightLink, the first in-flight cockpit recording application for the Apple iPad® and iPhone®.

**NEW — Full Bluetooth® Integration.** Enjoy excellent call clarity, music fidelity, and wireless access to critical audio alerts from aviation apps on mobile devices.

### HLS200 Sierra ANR Headset with Bluetooth

**Price: £620.00 | £744.00 inc.VAT**

## Zulu 3 Headset

**7 Year Warranty  
& includes  
Headset Case**

Meet Zulu 3, the most comfortable, most durable headset Lightspeed has ever made

Zulu 3 builds on the performance and features that have made the legendary Zulu line the choice of private and professional pilots worldwide, but adds a number of enhancements to deliver even more comfort and durability:

- New Performance ear seals are designed to hug the curve of the jaw, creating a more natural fit that increases comfort and stability.
- New cables built around a Kevlar core are stronger and more flexible than standard cables, while weighing less. These are the same cables that have been proven on PFX and wireless Tango®.
- Zulu 3 is backed by an industry-best 7-year warranty, two years more protection than offered on other premium headsets.
- An optional free taller head pad ensures maximum comfort and performance on smaller head shapes.

Combining tradition with innovation. With a history of high quality communications the FTA-750L now includes a 66 channel GPS receiver for reliable navigation.

**F** £310.00 | £272.00 INC VAT

### Receivers

#### ICOM

##### IC0552 ICOM IC-A16E 8.33/25kHz Ground to Air Support Radio

Designed for ground crew who work in airports, airfield and who provide aviation support:

- 8.33 kHz and 25 kHz channel spacing
- 1500 mW loud audio provides clear communication
- Up to 5 minutes voice recording/playback
- Built-in Bluetooth for Hands-Free Operation
- Large capacity battery pack provides 17 hours\* of long battery life
- \* Typical operation with Tx: Rx (Max.audio): standby=5:5:90. (Bluetooth OFF)
- 6 W (PEP) RF output power
- Compact, waterproof, durable body (IP67 and MIL-STD-810-G)
- LCD and keypad backlight for night time operation
- Compatible with third-party aviation headsets (optional OPC-2401 headset adapter is required).

**F** £230.00 | £276.00 INC VAT

##### BEA100 Uniden Bearcat (Airband/VHF) - EZI33XLT Handheld Scanner Receiver

The new Uniden Bearcat EZI 33XLT is a handheld scanner in a compact design and covers low VHF, FM, Airband, VHF and UHF bands. This scanner has replaced our Uniden UBC30XLT model.

The small size of the Uniden Bearcat EZI 33XLT makes it easy for the user to take it out in the field by attaching it to the belt or carrying it in a pocket. The scanner is made from robust materials.

**FREQUENCY RANGE:** 78MHz - 87.295MHz Low VHF Band | 87.3MHz - 107.950MHz FM Broadcast | 108MHz - 136.991MHz Aircraft Band | 137MHz - 174MHz VHF Band 406MHz - 512MHz UHF Band | 3 One touch instant channels | 9 Pre-programmed service Banks.

**TECHNICAL SPECIFICATIONS:** Channels: 180 | Frequency steps: 5/6.25/10/12.5KHz (8.33/12.5KHz - Aircraft Bands) | Scan speed: 30 step/sec Banks: 9 | Receiver sensitivity: 0.4 µV / 0.9 µV | IF rejection: 60dB | Antenna: 50 Ohm | Audio output: 490mW in 24 Ohm | Power supply: 3 x AA batteries. 4.5V DC (Batteries included) Dimensions: 53(W) x 28(D) x 104(H)mm | Weight: 100 grams.

**G** £66.66 | £79.99 INC VAT

## Aviation Watches - Garmin and Novy

### NGP360 Garmin D2 Delta PX Aviator Watch

#### GPS Flight Navigation with DLC Titanium Band

1. Premium GPS aviator watch (51 mm) with wrist-based Pulse Ox sensor tracks blood oxygen saturation.
2. Aviation functions include dynamic colour mapping, NEXRAD weather, airport data, automatic flight logging, alerts, connectivity with select avionics and more.
3. Smart notifications help you keep in touch on the go, while sport watch functions offer wrist-based heart rate, activity profiles, fitness tracking and more.
4. Easily store and play up to 500 songs on your watch, and connect with audio panel or headset (sold separately) equipped with Bluetooth® technology for phone-free listening.
5. Garmin Pay™ contactless payment solution lets you make convenient payments with your watch, so you can leave your cash and cards at home.
6. Battery performance: up to 20 days in smartwatch mode and 18 hours in GPS + Pulse Ox mode (depending on settings).

**F** Price: £975.00 | **£1170.00** inc.VAT

### NGP370 Garmin D2 Delta Aviator Watch with Brown Leather Band

#### Aviator Style, Midsize Dial

Featuring a midsize (47 mm) form factor with a silver titanium bezel and scratch-resistant domed sapphire crystal lens, the D2 Delta model is built for extra-rugged durability in demanding environments. With a rich array of colour mapping, weather, waypoint reference and flight logging features, you can count on reliable on-wrist situational reference and backup navigation in your cockpit. Then, between flights, you can use the latest sport watch features — including Elevate™ wrist-based heart rate monitoring, daily activity tracking, training metrics and more — to keep up with your personal fitness goals. For these intense activities, each D2 Delta version comes with a soft, flexible black silicone sports band, offering easy QuickFit® band replacement without tools. And wherever you travel, smart notifications (emails, text messages, alerts and more) can display on the watch to help you stay in the know while on the go.

## Pooleys United Kingdom Flight Guide 2021

**NEW 2021  
Edition**

### Pooleys United Kingdom Flight Guide - The Pilots Favourite for Six Decades!

The Pooleys United Kingdom Flight Guide is produced once again in full-colour. Pooleys sets the standard in aeronautical information and presentation. Published annually, this guide is produced by, and with the support of, aviators across the UK.

#### ALL TEXT ENTRY PRIVATE AIRFIELDS/STRIPS UPGRADED TO FULL GRAPHIC PLATE

- Every plate remastered and graticule ticks added.
- Full-colour illustrated airfield plates and area charts in every guide.
- UNIQUE to Pooleys - 16 fold-out colour area charts with the loose-leaf version.
- Updates by email of frequency and airspace changes.
- 4 printed sets of amendments each year sent by post for the loose-leaf version.
- Unprecedented popularity.
- Highly acclaimed - Pooleys is the generic word for accurate, up-to-date airfield and airspace information.
- Spiral edition has one large single spiral for ease of use.
- The most up-to-date flight guide on the market at the time of release.

#### It also contains the following:

Definitive information on 982 UK aerodromes, 570 landing charts and multi-coloured area charts, private airfields and farm strips, helicopter landing sites (now available online as a free download), microlight sites, glider sites, parascending sites, free-fall parachute sites, notified controlled airspace, airspace classification, VFR criteria & VMC minima, specified minimum weather provisions, ATC regulations & procedures, air traffic control services, controlling authorities & comms frequencies, MATZ & LARS, DACS & DAAIS, meteorological services, landing fees, sunrise/sunset tables and many other items of useful aeronautical information.

## Flight Guides - Ireland, UK Farmstrips & Helipads and Atlases

### NFG033 IRELAND FLIGHT GUIDE - SPIRAL BOUND, ALSO AVAILABLE ON iPLATES SUBSCRIPTION

Now with additional airfields and more useful information than ever before - the only guide you need for flying VFR in Ireland. The Ireland Flight Guide is published as a spiral edition. All the information contained in the Irish Flight Guide is in the same layout as that of the United Kingdom Guide and includes all airfields in the Republic of Ireland and Northern Ireland.

**C** £19.50

### NLG010 LOCKYEARS FARM STRIPS & PRIVATE AIRFIELDS FLIGHT GUIDE

Lockyear's covers 50 counties and more than 300 landing sites in England, Wales and Scotland each with Ordnance Survey location maps corresponding to the airfield diagram.

**E** £21.50

### BTG930 HELIPAD SITEFINDER

A guide to Helicopter Landing Sites throughout the UK and Irish Republic.

Fully updated with the latest information.

**C** £20.00

**NEW**

### APD010 POOLEYS 2021 PILOT'S DIARY (AVAILABLE IN RED OR BLUE)

Handsomely bound in blue or limited edition red leatherette. Each contains a full listing of all UK Airfields from the Pooleys Flight Guide, Sunrise and Sunset tables, useful aviation data and addresses section. Other information that is included:

1. Mini Log Book
2. Mini Flight Guide
3. Met Offices - Airmet
4. Performance Factors
5. MATZ - LARS
6. UK Airspace
7. UK Criteria
8. PPL Privileges
9. Plus much more!

Leather Diary Cover £10.79 | **£12.95**

**C** £7.49 | **£8.99** INC VAT

### NFG102 UK GPS COMPANION

**C** £18.99

### BTC039 PILOTS ATLAS EUROPE, SOUTH EAST ASIA & MIDDLE EAST

#### FEATURES:

- Completely new cartography
- Completely new aeronautical data
- Airport directory
- Overview maps
- Captain's Corner
- Expanded Area
- 16 additional pages cartography
- 224 pages content
- 158 pages maps
- 39 pages Captain's Corner
- 27 pages overviews
- Complete Atlas is printed in colour
- ICAO-codes, waypoints, VOR's, NDB's, etc.
- Restricted, prohibited and danger areas
- High quality, foiled cover
- Size 20 x 28cm / 8 x 11 inch

**D** £25.95

## Charts - United Kingdom, Ireland, France, Belgium & Netherlands

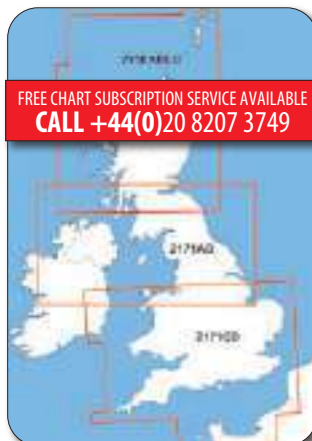

### UNITED KINGDOM CHARTS

CAA UK Charts 1:250,000 & 1:500,000 Scale

UK aeronautical VFR charts in half million scale are the preferred map for most touring pilots offering in clear detail information for either visual or radio navigation. The CAA VFR charts in quarter million scale are ideally suited to local flying, helicopters, gliders and microlights. Laminated for durability and designed for use with chinagraph pencils or lumocolor markers.

## Navigation Equipment - Pooleys PPL CRP-1 & Pooleys ATPL CRP-5 Computer

### NCR010 POOLEYS PPL CRP-1 FLIGHT COMPUTER

The **CRP-1** is designed particularly for the student and private pilot. Easy to handle, it includes all the necessary functions for examination, planning and flying requirements. This model is widely used by flight training organisations in the United Kingdom and throughout the world.

<b>A</b>	<b>NCR010</b> CRP-1 Computer	<b>Price:</b> £40.79   <b>£48.95</b> inc.VAT
<b>A</b>	<b>NCR011</b> CRP-1 Computer with Windarm	<b>Price:</b> £41.63   <b>£49.96</b> inc.VAT
<b>A</b>	<b>NCR110</b> MSL-1 Microlight Slide	<b>Price:</b> £12.46   <b>£14.95</b> inc.VAT

### NCR050 POOLEYS ATPL CRP-5 FLIGHT COMPUTER

The **CRP-5** is manufactured to the exacting standards demanded by commercial pilot training organisations to give a lifetime's performance. Designed particularly for the professional pilot, it includes all necessary functions for the commercial and airline transport pilot examinations.

<b>A</b>	<b>NCR050</b> CRP-5 Computer	<b>Price:</b> £64.96   <b>£77.95</b> inc.VAT
<b>A</b>	<b>NCR051</b> CRP-5 Computer with Windarm	<b>Price:</b> £66.66   <b>£79.99</b> inc.VAT
<b>D</b>	<b>NCD101</b> CRP-5 Training DVD	<b>Price:</b> £16.63   <b>£19.96</b> inc.VAT
<b>A</b>	<b>NCR152/NCR152W</b> CRP-5/W with DVD	<b>Price:</b> £78.74   <b>£94.49</b> inc.VAT

## Navigation Equipment - AVIAT 617, CRP-4, 8 & 9, MSL-1, HPC-1, LPC-1

### Pooleys Aviat 617 - The World's Finest Computer

The Aviat 617 is manufactured to the highest possible quality. The computer side with highlighted scales and colour tinting clearly distinguishes the various scales and a transparent, rotating cursor with index line simplifies setting and reading between graduations. It can be used to calculate speed, distance, time, fuel consumption and pressure pattern navigation problems while determining true air speed, altitude and density, speed of sound and Mach number.

All wind triangle problems are solved on the wind side with the aid of a high definition wind arm and finely engineered slide with coloured lettering for maximum clarity. In addition to the scale for the usual distance-time speed problems, fuel consumption and wind triangle computations, the Aviat 617 has scales for rapid conversion between British/US and Metric units of measurement, as well as for liquid measures at various specific gravities, to their equivalents in pounds weight or kilos. Special scales or marks are provided for the determination of true air speed, true altitude and density altitude, speed of sound and Mach number, as well as for the solution of problems in pressure pattern navigation.

Please specify which Aviat Scale you require and in which language you would like the booklet. The Aviat 617 is supplied with a comprehensive handbook published in German, French or English.

*Scales available for the Aviat 617:*

<b>NAA100</b>	<b>A-B</b>	<b>60-350/100-500</b>
<b>NAA500</b>	<b>A-G</b>	<b>60-350/300-1000</b>
<b>NAA200</b>	<b>A-K</b>	<b>60-350/150-750</b>
<b>NAA300</b>	<b>B-H</b>	<b>100-500/40-250</b>

**NAA-00** AVIAT 617 Computer

**Price: £120.79 | £144.95 inc.VAT**

**NAA501** Additional Scales each

**Price: £29.16 | £34.99 inc.VAT**

#### NCR040 CRP-4 Flight Computer

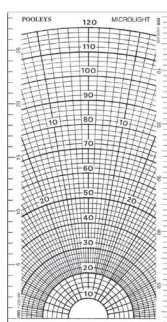

The sliding scale offers a speed range of 40 - 650 knots, incorporating an 'F' - factor table' and edge scales on both sides for 1:250,000 nm, 1:500,000 nm, 1:1,000,000 nm and 0-208 millimetres. An economical alternative to the CRP-1.

**Price: £20.42 | £24.50 inc.VAT**

#### NCR110 MSL-1 Microlight Scale

For Microlight Pilots, a slow speed scale with a range from 10 to 120 knots is suited to Microlight Pilots and is available as an optional extra for the CRP-1. It can be included as a standard scale with a CRP-1, please request this at the time of order.

**Price: £12.46 | £14.95 inc.VAT**

#### NCR080 CRP-8 Microlight Computer

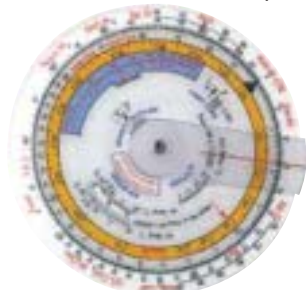

The CRP-8 Microlight Computer is manufactured as an economic alternative to the CRP-1 with Microlight slow speed scale giving speeds between 10 and 120 knots. All other functions are identical to that of the CRP-1 & CRP-4 Computers.

**Price: £20.42 | £24.50 inc.VAT**

#### NCR090 CRP-9 Circular Computer

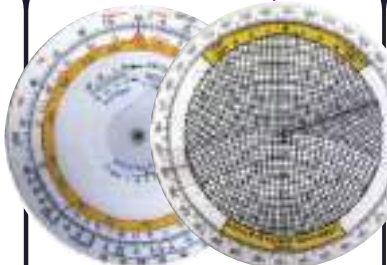

The CRP-9 is a circular computer of 140mm diameter. The circular slide rule side is that of the CRP-5.

**Price: £30.79 | £36.95 inc.VAT**

#### NCR060 CRP-6 Computer

The circular slide rule side is that of the CRP-1. The wind triangle side is arranged to solve navigational triangle of velocity problems without the necessity of slide.

**Price: £17.46 | £20.95 inc.VAT**

#### NHP010 HPC-1 Holding Pattern

Extremely useful and easy to use, it forms a quick mental picture of the aircraft's position for joining and maintaining a left or right holding pattern.

**Price: £12.46 | £14.95 inc.VAT**

#### NCP010 LPC-1 Landing Pattern

Automatically co-locates headings for cross-wind, downwind and base legs. The aircraft heading can be set with the cursor on the outer compass rose enabling the pilot to select the most convenient circuit join method.

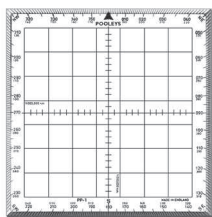

**Price: £12.46 | £14.95 inc.VAT**

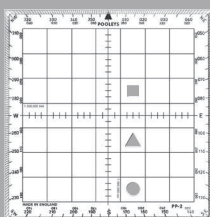

## Navigation Equipment - Protractors & Scales

### NPP010 PP-1 Protractor

Standard flying school issue. 128 mm square. 0 - 360 scale on outside edge with reciprocal headings indicated adjacent. Location letters NE, SE, SW and NW on corners. Centre drilled for location and gridded in squares of 13 mm (4 nm). Supplied in self-sealing clear plastic case.

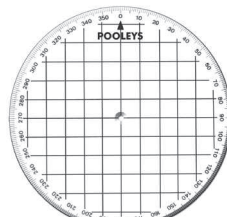

**A** Price: £5.79 | **£6.95** inc.VAT

### NPP020 PP-2 Protractor

Standard commercial school issue. 128 mm square. 0 - 360 scale on outside edge with reverse 360 - 0 scale adjacent. Location letters NE, SE, SW and NW on corners. With aeronautical symbol cut-outs of a square, circle and triangle. Centre drilled for location and gridded in squares of 13 mm (4 nm).

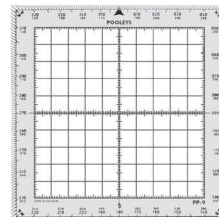

**A** Price: £6.25 | **£7.50** inc.VAT

### NPP030 PP-3 Protractor

Round 110 mm diameter protractor with 0 - 360 scale on outside edge. Centre drilled for location and gridded in squares of 3 nm each at the 1:500 000 scale.

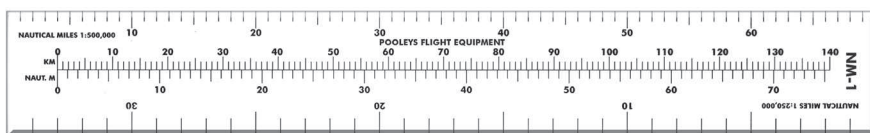

**A** Price: £5.79 | **£6.95** inc.VAT

### NPP090 PP-9 White Border

128 mm square. 0 - 360 scale on outside edge with reciprocal headings indicated adjacent. Location letters NE, SE, SW and NW on corners, gridded in squares of 9 mm and underprinted white border for greater definition of headings scale. Supplied in a self-sealing clear plastic case.

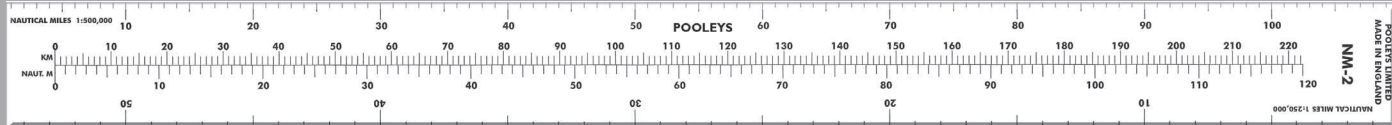

**A** Price: £6.25 | **£7.50** inc.VAT

### NNM010 NM-1 (240mm)

Designed for use with topographical and radio navigation charts this scale is simple, versatile and multi-functional. Manufactured in clear flexible plastic with black scales it measures 240mm x 65mm.

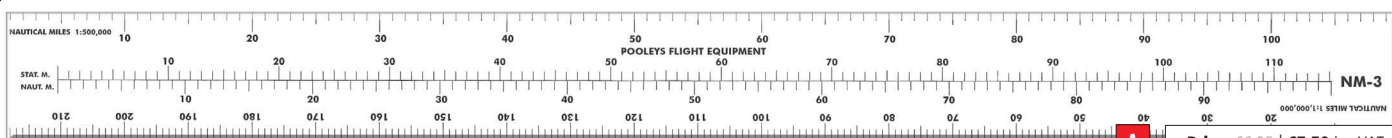

**A** Price: £5.79 | **£6.95** inc.VAT

### NNM020 NM-2 (420mm)

Standard flying school issue. Outside edges respectively read to 110 nautical miles in 1:500 000 and to 55 nautical miles in 1:250 000. Centre scale converts between kilometres and nautical miles to 120nm.

**A** Price: £6.25 | **£7.50** inc.VAT

### NNM030 NM-3 (420mm)

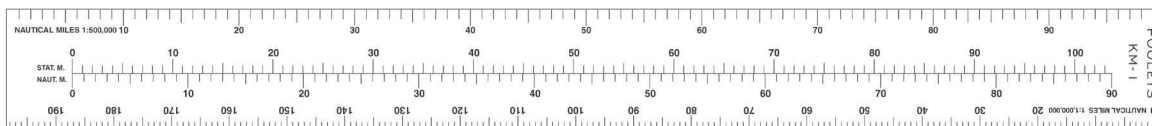

Outside edges respectively read to 110 nautical miles in 1:500 000 and to 220 nautical miles in 1:1 000 000. Centre scale converts between statute and nautical miles to 100nm.

**A** Price: £6.25 | **£7.50** inc.VAT

### NNM031 NM-3Z (420mm)

Similar to the NM-3 but manufactured in white plastic.

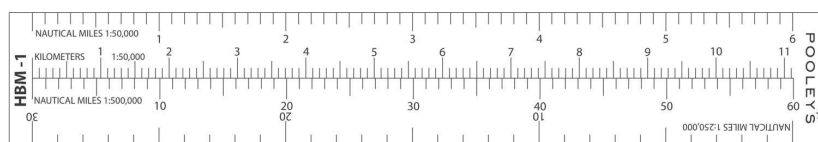

**A** Price: £6.25 | **£7.50** inc.VAT

### NKM010 KM-1 (14 Inches)

Opaque white perspex scale with square edges. Printed on both sides with 4 outside edges. On one side reading to 99 nautical miles in 1:500 000 scale and to 198 nautical miles in 1:1 000 000 with a conversion scale between statute miles and nm. On the reverse side it reads to 183 km in 1:500 000 and to 365 km in 1:1 000 000 with a conversion scale between km and nm.

**A** Price: £6.25 | **£7.50** inc.VAT

### NHB010 HBM-1 (10 Inches)

Scale ruler, outside edges respectively read to 30 Nautical Miles in 1:250,000 and to 6 Nautical Miles in 1:50,000. Centre scale reads to 110 Kilometres in 1:50,000 scale and to 60 Nautical Miles in 1:500,000 scale.

**A** Price: £5.79 | **£6.95** inc.VAT

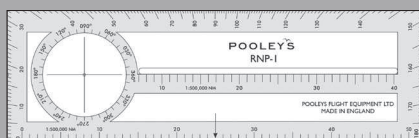

## Navigation Equipment - Plotters & Protractors

**NBP010 BPC-1 Baring Position Plotter**

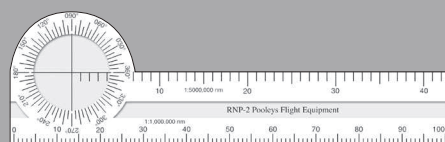

**A** Price: £10.79 | £12.95 inc.VAT

**NRN010 RNP-1 Plotter**

**A** Price: £7.49 | £8.99 inc.VAT

**NRN020 RNP-2 Plotter**

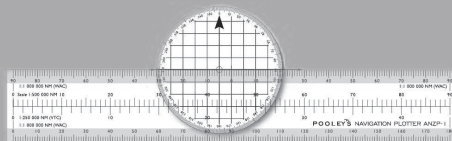

**A** Price: £7.29 | £8.75 inc.VAT

**FAA1121 Rotating Plotter CP-R**

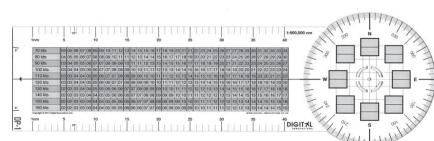

**D** Price: £11.63 | £13.96 inc.VAT

**NAN020 ANZP-1 Plotter**

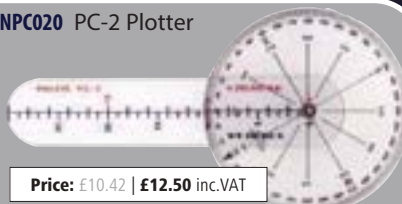

**A** Price: £12.08 | £14.50 inc.VAT

**NRN090 DP-1 Diversion Plotter**

**C** Price: £12.92 | £15.50 inc.VAT

**NPC020 PC-2 Plotter**

**A** Price: £10.42 | £12.50 inc.VAT

Designed to establish the aircraft's bearing and distance from 'X' to a chosen point. It includes 1:500 000 scale from 0 to 30 nm and a 1:250 000 scale from 0 to 15 nm.

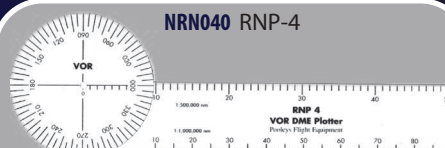

**NCP020 CPM-1 (185 mm x 40 mm)**

Calculate accurate ETA's with the CPM-1, useable at ground speeds from 50 to 140 knots and is very simple to use.

**E** Price: £7.08 | £8.50 inc.VAT

**NRN040 RNP-4**

## Check Lists and Pilot Guides

### Check Lists

Pooleys stock a comprehensive range of Check Lists for the most common training and touring aircraft types. They should be used to supplement the Pilots Operating Handbook. All Pooleys Check Lists are spiral bound, produced in flip-over format and have the benefit of being printed on durable plastic paper to withstand frequent use.

The increasing range of Pooleys Check Lists currently covers the fixed wing and helicopter aircraft types detailed below and each contain clearly defined pages for checks of cockpit preparation, external, internal, engine start, taxiing, power pre-takeoff, vital actions, after take-off, in-flight, circuit joining, landing, shut down and emergencies.

Checklists are currently available for:

- NCL040** Aero AT-3 R100
- NCL121** Airtourer 115
- NCL020** Cessna 150 & 152
- NCL030** Cessna 172
- NCL032** Cessna 172 S/SP
- NCL122** Cessna 180/182
- NCL192** Diamond DA40
- NCL193** Diamond DA40 G1000
- NCL191** Diamond DA42
- NCL050** Grumman American AA-5
- NCL042** Ikarus C42
- NCL028** Piper PA28
- NCL100** Piper PA38 Tomahawk
- NCL120** Rallye Club
- NCL120F** Rallye Club in French
- NCL130F** Rallye Commodore 150 & 180 in French
- NCL190** Robin 2160/DR400-108,125,140,160,180
- NCL041** Robin HR200/120
- NCL131** Robinson R22 Beta
- NCL132** R44 Raven I & II

# EASA PPL EXAM PREPARATION SERIES

## AIR PILOT'S MANUALS EXAM PREPARATION BOOKS

These Examination Preparation books are colour co-ordinated with the Air Pilot's Manuals for easy cross-referencing

**BTT110 Air Law**

**BTT120 Operational Procedures**

**BTT130 Principles of Flight**

**BTT140 Meteorology**

**BTT150 Navigation**

**BTT160 Communications**

**BTT170 Human Performance**

**BTT180 Aircraft General**

**BTT190 Flight Performance**

## EASA PPL (A) QUESTIONS, ANSWERS & EXPLANATIONS

– To accompany the Air Pilot's Manuals

Exam 1 – **Air Law** (can also be used for PPL (H) exams)

Exam 2 – **Operational Procedures**

Exam 3 – **Principles of Flight**

Exam 4 – **Meteorology** (can also be used for PPL (H) exams)

Exam 5 – **Navigation**

Exam 6 – **Communications** (can also be used for PPL (H) exams)

Exam 7 – **Human Performance & Limitations** (also PPL (H))

Exam 8 – **Aircraft General**

Exam 9 – **Flight Performance & Planning**

**Price: £7.25 each or £59.95 Set of 9 books**

**BTT105 EASA Part-FCL PPL (A) Syllabus & Student Record of Training**

**BTT106 EASA Part-FCL LAPL (A) Syllabus & Student Record of Training**

– To accompany the Air Pilot's Manuals above available in loose-leaf or spiral-bound –

**Price: £15.79 | £18.75 inc VAT each**

**BTC021 EASA IR (Restricted), BIFM & BIR Syllabus**

**BTC024 Night Rating Manual & Syllabus**

**Price: £14.16 | £16.99 inc VAT each**

## POOLEY'S AIR PRESENTATION SERIES

EASA PPL GROUND SCHOOL INSTRUCTOR & STUDENT PILOT'S WORK BOOKS  
– TO ACCOMPANY THE AIR PILOT'S MANUALS & Q&A BOOKS FOR FLYING SCHOOLS

These workbooks complement the Instructor's PowerPoint Presentation for each ground school subject. There are two options available to the Instructor/Student. Choose between a **full colour Pilot's Work Book (eg. PAP001)** that is identical to the PowerPoint Presentation or the **Student's Work Book (eg. PAP001S)** which is printed in black and white with blank spaces in the text and around some images for the student to complete during the training session.

## PPL Audio Training CD Roms – Communications, Meteorology, Morse Code etc.

### NCD007 Pooleys Private Pilot's Licence - Communications Audio (5 x CDs)

These audio CDs cover the EASA PPL Communications syllabus. They are an ideal aid for student pilots training for their licence and for qualified pilots wishing to update their knowledge of the latest procedures or improve their Communications skills. Covering the requirements for both the written and practical Communications examinations these 5 CDs are divided into easy to access units.

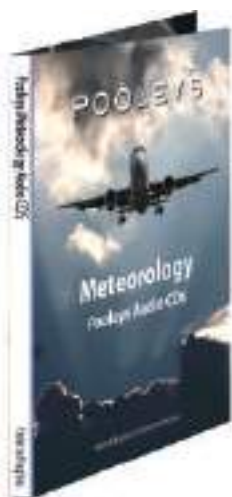

**Sections include:**

- General Operating Techniques and Phraseology.
- Aerodrome Communications.
- En-route Procedures.
- Emergency Communications.
- In addition there is an introduction to the radio procedures required for instrument flying.

Price: £20.79 | **£24.95** inc.VAT

### NCD004 Pooleys Private Pilot's Licence - Meteorology Audio (2 x CDs)

These audio CDs cover the PPL Meteorology syllabus. They are an ideal aid for student pilots training for their licence and for qualified pilots wishing to update their knowledge. Covering the requirements of the latest Meteorology Examinations these two CDs are divided into easy to access units.

Price: £20.79 | **£24.95** inc.VAT

### Private Pilot's Licence Series

- NCD002 - No. 2 Navigation
- NCD003 - No. 3 Air Navigation Computer
- NCD005 - No. 5 Airframe & Engines
- NCD006 - No. 6 Principles of Flight & Instr.
- NCD009 - No. 9 Human Performance

CDs used at home or in the car are an excellent aid to learning and revision of the essential PPL subjects, all done at your own speed.

Price: £8.75 | **£10.50** inc.VAT

## FAA Training Products - Books, CDs & DVDs

These comprehensive guides have been devised to prepare students for the full range of FAA exams. Each book contains the questions most frequently asked by FAA examiners, and the appropriate responses. Additionally, each question refers to various FAA materials for further study. The oral exam guides are also beneficial to pilots who wish to refresh their knowledge, prepare for a competency check or transition to another aircraft.

**FAA010** AIRLINE TRANSPORT PILOT ORAL EXAM GUIDE

**FAA011** CERTIFIED FLIGHT INSTRUCTOR ORAL EXAM GUIDE

**FAA012** COMMERCIAL ORAL EXAM GUIDE

**D** £9.95 each

**FAA013** INSTRUMENT ORAL EXAM GUIDE

**FAA014** MULTI-ENGINE ORAL EXAM GUIDE

**FAA015** PRIVATE ORAL EXAM GUIDE

**FAA016** HELICOPTER ORAL EXAM GUIDE

These books promote better understanding, aid recall and thus provides more efficient study guides. Introductory text and illustrations clarify the subject matter in each chapter. The Test Preps also come with the FAA's Computerised Testing supplement. All the FAA legends, figures and full colour charts are reprinted exactly from the government guidelines. These books represent the best aid for successful test-taking.

**FAA020** AIRLINE TRANSPORT PILOT TEST PREP £38.95

**FAA021** CERTIFIED FLIGHT INSTRUCTOR TEST PREP £22.95

**FAA022** COMMERCIAL PILOT TEST PREP £20.95

**FAA023** INSTRUMENT RATING TEST PREP £21.95

**FAA025** PRIVATE PILOT TEST PREP £16.95

**D** from £16.95 each

**FAA026**  
TEST PREP SERIES FLIGHT ENGINEER

**D** £19.99

**FAA050**  
FAR/IM

**D** £15.95

**BTG970**

PILOT'S HANDBOOK OF AERONAUTICAL KNOWLEDGE

Newly illustrated with hundreds of full-colour drawings and photographs! Softcover, 8.25"x10.75", 470 pages.

**D** £15.99

**FAA210/211/212**  
ASA PILOT'S MANUALS

**D** £39.95 each

**BTG973** AIRMAN CERTIFICATION STANDARDS:  
PRIVATE PILOT AIRPLANE

**BTG975** AIRMAN CERTIFICATION STANDARDS:  
REMOTE PILOT, SMALL UNMANNED AIRCRAFT SYSTEMS

**BTG974** AIRMAN CERTIFICATION STANDARDS:  
INSTRUMENT RATING AIRPLANE

**BTG972** PRACTICAL TEST STANDARDS:  
COMMERCIAL PILOT

The full range of Practical Test Standard booklets are and Airman Certification Standards available online.

**D** £7.95 each

### ASA Prepware CD Roms

Prepware brings the accuracy and reliability of ASA's industry-leading Test Prep books to your PC. Complete and easy-to-use, Prepware is the test preparation and test practice tool for today's aviator. Available for all pilot FAA Knowledge Exams!

**FAA030** PREPWARE - PRIVATE PILOT

**FAA031** PREPWARE - COMMERCIAL PILOT

**FAA033** PREPWARE - CERTIFIED FLIGHT INSTRUCTOR

**FAA032** PREPWARE - INSTRUMENT RATING

**D** £37.46 | £44.95 INC VAT EACH

**ASA VIRTUAL TEST PREP DVDS**  
- MULTI-REGION COMPATIBILITY

Virtual Test Prep aviation ground school ships with both DVDs and ASA's time-proven Test Prep for a comprehensive package to prepare for the FAA Knowledge Exam.

**FAA060** VIRTUAL TEST PREP - PRIVATE

**FAA062** VIRTUAL TEST PREP - INSTRUMENT

**D** £99.99 | £119.99 INC VAT

**D** £116.66 | £139.99 INC VAT

**FAA059**

ASA VIRTUAL TEST PREP FOR HELICOPTERS

Helicopter Fundamentals, guides viewers through the important concepts and vagaries of helicopter flight. This award-winning production makes explanations come to life with in-flight demonstrations and the latest 3D animated graphics. Aerodynamics are covered in detail from retreating blade stall to autorotation. Cockpit point-of-view footage helps viewers experience maneuvers from the pilot's perspective.

**D** £29.17 | £35.00 INC VAT

## Books - ATPL Questions, Answers, Commercial Pilot Study Manuals & Maintenance

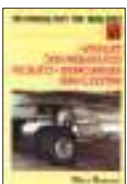

### Commercial Pilot Study Manuals

#### BTG148 ELECTRONICS LOGIC & AUTO-FLIGHT INSTRUMENTS

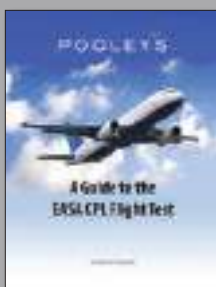

**C** £20.00

#### BTG149 HYDRAULICS, CABIN PRES. PNEUMATICS ETC

**C** £20.00

#### BTC060 A GUIDE TO THE EASA CPL FLIGHT TEST – JONATHAN SHOOTER

**C** £30.00

A detailed description of the European CPL flight test, from meeting the examiner through to the post flight debrief, it describes what the examiner expects to see and how to demonstrate each manoeuvre to gain a full pass. Gives advice on how to choose a flight school, pre-course preparation and tips to improve your performance. An invaluable training aid to anyone who is undertaking the EASA CPL or to any private pilot who wants to improve their airmanship and flying skill.

#### BTC070 A GUIDE TO THE EASA IR FLIGHT TEST – JONATHAN SHOOTER

**C** £30.00

A detailed description of the European Instrument Rating flight test. From meeting the examiner through to the post flight debrief, it describes what the examiner expects to see and how to demonstrate it. It is written to reflect the test as it proceeds on the day and describes in detail, the standards required for each section to gain a full pass. It also gives advice on how to choose a flight school, pre-course preparation, typical oral questions along with answers, and valuable tips to improve performance.

Suitable for any candidate following the integrated, modular, or ICAO conversion course. Pilots will also find it a useful resource in preparation for an IR revalidation/renewal, or indeed the UK IR (Restricted)/IMC flight test.

**BRISTOL GROUND SCHOOL EASA ATPL (A & H)  
THEORY TRAINING MANUALS**

These textbooks are written by Bristol Ground School, the leading European commercial pilot theory training organisation, for professional pilots studying for their licence theory exams. It is part of a series of titles covering all the subjects examined by the European Aviation Safety Agency (EASA). The series covers the theory requirements for the EASA Airline Transport Pilot Licence, Commercial Pilot Licence and Instrument Rating for both Aeroplanes and Helicopters.

### CAT500 A COMPLETE SET OF 13 CATS STUDY GUIDE MANUALS

**£700.00**

These up-to-the minute theoretical knowledge study guides offer a cost effective, concise, relevant and modern approach to learning all of the subjects within the EASA Commercial and Airline Transport Pilot Training Syllabus.

These are the only study guides with EASA learning objectives and important key facts highlighted in colour throughout the text.

These study guides are printed in full colour, with an authoritative content, excellent, ultra-clear graphics and a style that is easily read and understood by the student. Favoured by commercial pilot training schools internationally these EASA/ATPL study guides are available in each of the required 13 subjects or as a complete set.

### PowerMonkey – Power Packs

#### POW102 Sport 25 Power Pack

The Sport 25 is a lightweight yet rugged power pack housing a 6700mAh lithium battery. Capable of charging virtually any 5V electronic device including smartphones, GPS, GoPro, smart watches and more, the Sport 25 is made from durable, rugged materials and is IP67 rated, meaning that it is fully protected from dust and can be submerged in 1m metre of static water for up to 30 minutes - perfect for when you're outside battling the elements.

The Sport 25 features an integrated 150 Lumen torch which also has an SOS mode should you get caught in an emergency situation and at just 187g it's perfect to slip into your pack to keep your devices charged.

What can the Sport 25 recharge?

- Tablet - 1/2 to 1 times | Smartphone - 1 to 3 times
- GPS - 1 to 2 times | Action Camera - 3 to 4 times
- Smartwatch - 10 to 12 times | Headtorch - 3 to 4 times

£45.00 | £54.00 INC VAT

#### POW101 Harrier 25 Wireless Power Pack

The Harrier 25 offers versatile charging solutions for any user. This portable, wireless 6700mAh power pack features an elastic strap to safely attach a smartphone or other 5V device to the product while recharging on the go. If wireless charging isn't an option, the Harrier 25 also allows for charging USB devices with the included cable. The rugged design is waterproof & dustproof to IP65 Rating and features smart charging automatic on/off detection technology via the bi-directional USB-C port.

What can the Harrier 25 recharge?

- Smartphone - 2 to 3 times | Sat Phone - 2 times  
GPS - 2 to 3 times | Action Camera - 3 to 4 times  
Smartwatch - 15 to 26 times | Headtorch  
- 5 to 9 times

## Windsocks, Swivel Arms and PA28 & PA32 Aircraft Towbar

### **E** Windsocks

A high quality polyester day glow orange windsock. Designed and constructed in the UK to the highest possible standard. Current ICAO specifications are met.

**STAINLESS STEEL RING WINDSOCKS MAY TAKE 3/4 DAYS FOR DELIVERY**

These windsocks are ideally suited to International, National airports, Airstrips, Heliports, Industrial sites, Gas and Oil rigs.

#### **Available Harness:**

- Plastic Mouth Ring and Snap on Shackle (Standard)
- Stainless Steel Mouth Ring and Snap on Shackle (Add £25)
- Single Row of Mouth Eyelets (Free option)

#### **Available Extras:**

- Corporate Branding (For more details please call 0208 207 3749)

#### **SGE080 4ft Windsock**

Prices from: **£55.00** | **£66.00** inc.VAT

#### **SGE081 8ft Windsock**

Prices from: **£92.00** | **£110.40** inc.VAT

#### **SGE079 12ft Windsock**

Prices from: **£159.00** | **£190.80** inc.VAT

### **F** Swivel Arms

High quality stainless steel windsock swivel arm or hoop, fitted with two sealed bearings. This swivel arm is ideally suited for use with our range of windsocks with snap on connectors or lace up mouths.

#### **SGE078 Swivel Arm for 3-6ft**

Price: **£85.00** | **£102.00** inc.VAT

#### **SGE077 Swivel Arm for 7-12ft**

Price: **£115.00** | **£138.00** inc.VAT

### **XPP090 Poster – Guide to Clouds for Pilots**

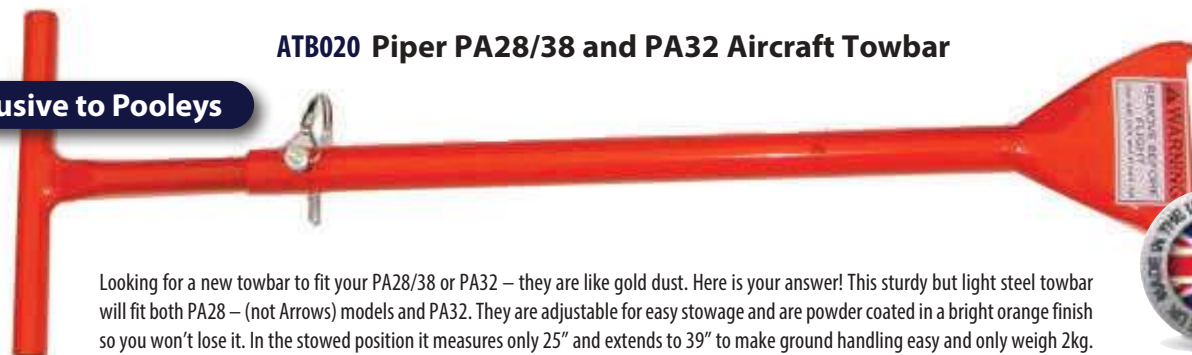

**C**

Price: **£8.29** | **£9.95** inc.VAT

### **ATB020 Piper PA28/38 and PA32 Aircraft Towbar**

**Exclusive to Pooleys**

Looking for a new towbar to fit your PA28/38 or PA32 – they are like gold dust. Here is your answer! This sturdy but light steel towbar will fit both PA28 – (not Arrows) models and PA32. They are adjustable for easy stowage and are powder coated in a bright orange finish so you won't lose it. In the stowed position it measures only 25" and extends to 39" to make ground handling easy and only weigh 2kg.

## Spark Plugs, Batteries & Oil Filters

### Spark Plugs

Champion spark plugs stand up to high temperatures, pressures and lead deposits with performance second to none. Quality manufacture includes design innovation, materials and processes which stand Champion spark plugs apart from the competition. When you're up in the air, count on the quality of Champion spark plugs.

REM40E	£32.36   <b>£38.83</b> inc.VAT
REM37BY	£33.89   <b>£40.67</b> inc.VAT
REM38E	£31.85   <b>£38.22</b> inc.VAT

### Champion Oil Filters

CH48103-1	£25.12   <b>£30.14</b> inc.VAT
CH48108-1	£24.11   <b>£28.93</b> inc.VAT
CH48109-1	£26.10   <b>£31.32</b> inc.VAT
CH48110-1	£25.06   <b>£30.67</b> inc.VAT
CH48111-1	£26.89   <b>£32.27</b> inc.VAT

Tests show that Champion High Performance Oil Filters protect your engine up to 30% more than competitive filters. In fact, in most cases competitive filters don't even meet the minimum SAE ARP1400B standard for filtration efficiency.

Champion brand spin-on oil filters and element filters incorporate a semi-depth filter media. The filters combine the advantages of both surface and depth-type filtration: high filtering efficiency, controlled porosity for uniform flow, water resistance, and the resistance to impulse and flow fatigue.

Champion brand oil filters are known to keep dirt and harmful particles from damaging your engine. Plus, no other filters on the market have Champion's unique, resin-impregnated, full-pleat design — 8.2 feet of layered protection for your engine.

### Aircraft Batteries

H

The Concorde RG-25XC Extra Cranking battery is a low resistance, valve regulated lead acid (VRLA) aircraft batteries.

**CON010 BATTERY RG-25XC 12V 24AH** £291.66 | **£349.49** inc.VAT

Concorde RG-35A batteries are low resistance, valve regulated lead acid (VRLA) aircraft batteries. Serviced and charged ready for use. 12 volt, 29AH capacity.

**CON020 BATTERY RG-35A 12V 29AH** £308.29 | **£369.95** inc.VAT

The RG-35AXC is a Concorde® Platinum Series® Aircraft Battery. The Platinum Series® is comprised of premium hand made AGM Aircraft Batteries with excess power for many applications.

**CON030 BATTERY RG-35AXC 12V 33AH** £341.63 | **£409.96** inc.VAT

**Recombinant Gas - The RG® Series are low resistance, valve regulated lead acid (VRLA) batteries.**

- Superior starting power
- Reliable essential power in the event of a generator failure
- Low impedance design
- Maintenance free
- Constructed with non removable vent valves - no addition of electrolyte or water required
- Aerobatic: Non spillable at any altitude or attitude
- Factory tested to assure airworthiness
- Shipped fully charged and ready to install
- Manufactured with absorbed glass mat separators (AGM)
- RG® Series batteries ship non-HAZMAT.

**NOTE:** This aircraft battery is not designed or intended for turbine aircraft engine starting applications. Warranty coverage applies to reciprocating aircraft engine starting, and standby / essential power installations.

## Bacoban - for Aerospace Anti-Covid-19 Products

### Bacoban

**Bacoban**  
For Aerospace

### CORONAVIRUS OUTBREAK

#### BACOBAN FOR AEROSPACE IS EFFECTIVE AGAINST THE CORONAVIRUS!

Bacoban for Aerospace Aircraft Cabin Antiviral & Antibacterial Cleaner for aircraft disinfection.

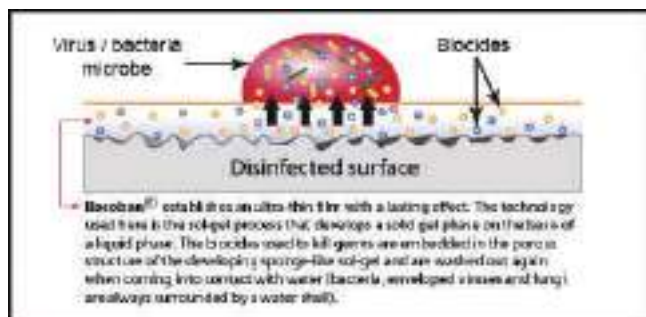

Following the cabin disinfection, the first passenger carrying any virus will re-infect the aircraft allowing the virus to be spread amongst passengers. This problem has now been solved by using Bacoban for Aerospace.

This unique product will provide continuous disinfection for 10 days! No other product on the market will provide continuous protection in this way. Viruses, bacteria and fungus will be destroyed continuously for this period. Infections on-board aircraft will be dramatically reduced.

Bacoban for Aerospace establishes an ultra-thin nano layer with a lasting effect. The technology used is a sol-gel process that develops a solid gel nano layer. The biocides used to kill germs and viruses are embedded in the porous structure of the sponge like sol-gel and are washed out again slowly when coming into contact with water (bacteria, enveloped viruses and fungi are always surrounded by water).

Bacoban for Aerospace has been tested for the effective destruction of the following viruses:

- Bacteria:** Staphylococcus aureus, Pseudomonas aeruginosa, Escherichia faecalis etc.
- Viruses:** Coronavirus, Hepatitis B and C, HIV, Influenza including H5N1 & H1N1, Rotaviruses, Adenoviruses, Herpes, and many more.

<b>SGE399</b>	1% Cleaner – 1 x 500ml	£11.25	£13.50 inc VAT

## Tecnam TFS-15 Face Shield for Pilots

### TECNAM TFS-15 XV EXTRA VISION FACE SHIELD FOR AVIATION

**The sleek TFS-15 XV is only available in the UK from Pooleys and gives you more lateral vision than the previous version, increasing the total Field of View.**

The Tecnam TFS (Face Shield) provides eye protection against droplets and sprays of fluids containing biological agents, while also protecting the nose and mouth from direct inhalation of biological matter that may contain the coronavirus. Designed to fully adapt to the face, a single elastomer fascia allows the face shield to be worn comfortably, thanks to the polyolefin foam that is widely used in medical applications. Ventilation is free but airstream is forced rearward and its transparency allows your smile to show!

Last but not least, we hope this will contribute to a quick return to flight activities for our pilots, passengers and flight-training organisations."

#### Tecnam TFS (Face Shield) Main Features:

- Full protection for face: eyes, nose and mouth;
- Reusable and recyclable;
- Comfortable and ergonomic;
- Able to be used while wearing spectacles;
- Latex free and solvent free;
- Washable and can be sterilised using ethylene oxide;
- A surgical or FFP mask can be accommodated beneath the device.

The TFS-15 headset is a Personal Protection Equipment, II Category with CE mark.

TFS015XV £37.50 | **£45.00** inc VAT

### TECNAM TFS-15 FACE SHIELD CLASSIC

The Tecnam TFS (Face Shield) provides eye protection against droplets and sprays of fluids containing biological agents, while also protecting the nose and mouth from direct inhalation of biological matter that may contain the coronavirus. The Tecnam TFS has been designed to fully adapt to the face. A single elastomer fascia allows the face shield to be worn comfortably, thanks to the polyolefin foam that is widely used in medical applications. Ventilation is free but airstream is forced rearward. Tecnam TFS (Face Shield) Main Features:

- Full protection for face: eyes, nose and mouth;
- Reusable and recyclable;
- Comfortable and ergonomic;
- Able to be used while wearing spectacles;
- Latex free and solvent free;
- Washable and can be sterilised using ethylene oxide;
- A surgical or FFP mask can be accommodated beneath the device.

TFS015XV £23.50 | **£28.20** inc VAT

### CRESSI ANTI-FOG SPRAY

This product has been specifically designed as an anti-fog protector for diving and swimming goggles and, as such, is effective on the Tecnam Face Shield.

TFS020 £7.50 | **£9.00** inc VAT

## Aircraft Cleaning Products

### ODW500 Pooleys Aviation OneDryWash

The revolutionary way to wash your aircraft, car, motorbike, caravan, van, truck, coach, campervan, bus, boat, or any other metal, glass or painted surface! A totally waterless washing system.

#### The Aviation Cleaning Product That Does Not Need Water

All you need to get brilliant results is Onedrywash and two clean cloths - No water! No buckets! No hoses! No noisy jet wash machine and No wellington boots! A totally waterless washing and polishing system.

Pooleys OneDrywash cannot scratch, its chemical composition uses capillary action to envelop every dust and grit particle down to a size smaller than the human eye can see, and does not allow it to come in contact with the surface again. Onedrywash lifts the dirt and grit from the surface you are washing as it dries, and suspends it within the compound, gently removing grime, tar, bird droppings and tree sap.

Brilliant at removing oil, exhaust blast and all those insects. (Cloth colours may vary)

**D** **£13.33** | **£16.00** INC VAT

## The Light Aircraft Company – Aircraft Cleaning Range

### CVK001 CAVOK Windscreen Cleaner

**D** **£10.83** | **£13.00** INC VAT

- A specially formulated perspex cleaner for aircraft windshields.
- Comes with 2 x heavy duty 300 gram microfibre cloths for deep cleaning.
- Leave a highly effective smear free shine.
- Anti-static finish to prevent re-soiling.
- Cloths can be laundered below 40°C. DO NOT use fabric conditioner.

### TLACPREFLIGHT Interior & Cockpit Cleaner

**D** **£6.67** | **£8.00** INC VAT

- A safe water based cleaner for all washable fabrics and interiors.
- Comes with a pack of 5 x white microfibre MD clothes.
- Non apertured cloths for effective cleaning.
- Foam spray avoids puddling.
- Evenly clean area by applying foam direct to surface and work the clothes evenly over the fabric.
- Cloths can be laundered below 40°C. DO NOT use fabric conditioner.
- Re-use approx 5 times.

### TLAC TOUCHNGO Waterless Wash Touch n Go

**D** **£10.00** | **£12.00** INC VAT

- A dry wash and wax for aircraft and cars.
- Comes with 2 x heavy duty 300 gram microfibre cloths for deep cleaning.
- Simply work in small areas applying with one and taking off with the other.
- Use when limited access to water or for when you want a quick simple shine.
- Cloths, when very soiled, can be laundered below 40°C. DO NOT use fabric conditioner.

### TLACSLIPSTREAM Aeroplane Wax Polish

**D** **£10.00** | **£12.00** INC VAT

- A high carnauba content protective wax polish.
- Comes with 5 x apertured non woven.
- The closed cloth captures polish and particles to prevent re-soiling when applying.
- No chalk or whitening after polishing.
- Cloths can be laundered below 40°C. DO NOT use fabric conditioner.
- Reuse approx 3-4 times.

### TLACLEADINGEDGE High Impact Cleaner

**D** **£12.00** | **£14.40** INC VAT

**Removes bugs with ease. Aircraft safe formulation.**

Leading Edge is the cleaner to remove ingrained dirt, soiling and bugs from your aircraft. Leading Edge is not alkali, it contains no solvents or caustic, it is a next generation polymer cleaning product and is safe to use on water washable surfaces.

## Aircraft De-Icing Fluid, Turbine Fuel Additive & Pooleys Aircraft Tie-Down Kits

### Aerosense Products

#### AL-5 TKS De-Icing Fluid

Aero-Sense TKS fluid complies with AL5-DTD406B and can be used in TKS "weeping-wing" de-icing systems.

Aero-Sense is one of the leading European producers of TKS fluid.

Each batch is carefully analysed so that viscosity, freezing point, pH value and many other parameters are respected. Before packaging the fluid is filtered down to 0.5 micron to prevent debris blocking the laser drilled titanium leading edges.

TKS-fluid can also be used for ground de-icing of aircraft. Barrels are also available for delivery.

## Life Rafts

### SLR040CAN/SLR040CAN/EQU 4-6 Person Survival Life Raft with Canopy available with or without Standard Kit

**SLR040CAN**  
comes with  
Standard Kit

#### SLR040CAN 4-6 Person Life Raft with Canopy NO STANDARD/SURVIVAL KIT (NON-TSO)

Part Number: 1400B-3:

Pack Size: 6" x 13" x 14"

Weight: 14 lbs (6.4 kilos)

- 4-Person with Canopy, no Survival Kit
- Lightest and smallest package on the market today, designed for private pilots and pleasure boaters.
- Comprised of buoyancy tube, deck, life lines, CO<sub>2</sub> inflation system, boarding handles, retaining line, hand pump, bailing bucket, sea anchor, and valise.
- Lightest weight and most compact - easy to carry, stow away, and maneuver in any emergency situation.
- Easily deployed by women, children, exhausted pilots or boaters.
- Soft-pack valise made of practically indestructible nylon with secure Velcro closures.
- Constructed of heavy-duty FAA approved neoprene coated nylon fabric.
- Highly visible orange canopy to aid in search and rescue operations.
- Contains aluminium cylinders and valves eliminating corrosion and greatly reducing the weight.
- High-tech CO<sub>2</sub> automatic inflation system, inflates in 10 seconds.
- Optional survival kits are available to meet individual requirements.
- 5-year warranty on parts and labour, built to last a lifetime with proper care.

#### Note:

Required Raft Compartment Size = Add 3" to Raft Pack Dimensions.

Required Raft Weight = +/- 2.0 lbs.

- **Same Day Despatch** (before 1530hrs)
- **Secure Online Ordering**

Tens of thousands of individuals and companies across the World trust Pooleys to deliver their orders

**Pooleys Online Flight Booking System**

*Great Features of Pooleys Flight Booking:*

**Your own 21st Century Booking System**

You can forget the old ways of pencil and paper, constant calls and endless admin. The site takes bookings 24/7 and all you need to do is authorise them. Plus, you can log in from any computer at anytime, anywhere.

**Intelligent Booking**

Whilst generating a booking, the system knows where booking times will conflict and only allows available slots to be chosen.

**Swapping Bookings**

Bookings can be swapped by instructor or aircraft by simply editing the booking. This way instructors can be changed from one slot to another keeping them in one aircraft or with certain students. No rubbing out, just the click of a button.

**Trial Flights**

A specific section in the booking page allows you to enter trial flight contact details and booking references.

**Cancelled Slots**

Every time a booking is cancelled, the system keeps a separate record. This means you can easily track cancellations, reasons and repeat offenders.

**Reschedule**

The reschedule system copies any booking from the allocated day to a future chosen date. All bookings remarks and details are kept with the booking and the addition of **"rescheduled from..."** allows you to keep track of how many times a booking has been changed.

**Auto Reminder**

Set auto emails to remind members of their future bookings.

**Designed for the Latest Mobile Devices**

The screen size has been designed for the iPad and works well on other 3G enabled mobile devices.

**Data Backup**

All data is backed up daily and on fully managed and supported servers. It can be exported at any time.

**Fully Customised**

Personalise the system with your logo and time slot configuration to match your existing system.

**Excellent Customer Service is at the very heart of our business.**

**We are proud of the service we offer. Read what our customers say about us:**

"I want to say thank you for your excellent service. We are in difficult times as we all know, but some suppliers seem to be making lots of excuses for slow service, but not Pooleys! Prompt, polite, helpful and efficient. Very grateful for all your hard work."

"Thank you very much for your very customer-focused response. Can't fault it. Good Job! Wish more companies had your approach."

"Excellent service!."

"Many thanks to your all! Impressed with service and courtesy."

"What wonderful service you provide."
